

Antegnate, 03.01.2022

Subject: EU Delegated Directive 2015/863 dated 31/03/2015 (model of Annex II of the Directive 2011/65/UE "RoHS III").

We hereby declare that, although the treated products do not fall directly into the categories regulated by the Directive 2011/65/EU on electrical and electronic equipment, the maximum quantities of

Lead (Pb) - Mercury (Hg) - Hexavalent Chromium (Cr VI) - Cadmium (Cd) - Polybrominated Biphenyls (PBB) - Polybrominated Diphenyl Ethers (PBDE) - Bis(2-Ethylhexyl) Phthalate (BBP) - Dibutyl Phthalate (DBP) - Diisobutyl Phthalate (DIBP)

contained in the supplied products are lower than the limits defined by the Directive itself, except for articles made of copper alloys (brass) which may contain more than 0.1% of Lead (Pb) by weight.

We also declare that the copper alloy used for the production of the latter articles is defined by the customer's (your) specification and that the chemical composition of the material is not changed in our production process. Therefore, it is your responsibility to determine whether or not your articles comply with the Directive referred to in this communication, based on their final application.

Best regards

Damiano Lucchini
