Antegnate,

Oggetto: EU Delegated Directive 2015/863 of 31/03/2015 (modification of Annex II of Directive 2011/65/EU 'RoHS III').

We hereby declare that, although the treated products do not fall directly within the categories covered by

Directive 2011/65/EU on electrical and electronic equipment, the maximum quantities of

Lead (Pb) - Mercury (Hg) - Hexavalent Chromium (Cr VI) - Cadmium (Cd) - Polybrominated Biphenyls (PBB) - Polybrominated Diphenyl Ethers

(PBDE) - Bis(2-Ethylhexyl) Phthalate (BBP) - Dibutyl Phthalate (DBP) - Diisobutyl Phthalate (DIBP)

contained in the products supplied are below the limits defined by the Directive itself, with the exception of items made of

copper alloys (brass) , AVP free-cutting steel and aluminum alloys (AW2011/AW6026), which may contain a

percentage of Lead (Pb) in quantities exceeding 0.1% by weight.

We also declare that the alloy used for the production of these latter items is defined by the customer's (yours) specification

and that the chemical composition of the material is not altered in our production process.

It is therefore your responsibility to determine whether your items comply with the Directive referred to in this communication, based on their final application.

Yours sincerely,

Giordano Guerrini
